Dear Roger

*Our goal is to keep children at school and ensure they have the best educational opportunities available to them.*

## Beyond Bank and the End of Financial Year

AFFLIP has changed banks and if you are planning on making a donation to AFFLIP before the end of the financial year you need our new Bank Account details.

The relevant section of the [AFFLIP website](#) has been updated with the new banking details – they are:

Beyond Bank: BSB: 325-185

Account: 03739427

Your donation to AFFLIP assists us to continue what we've started and fund

world class literacy education, health and nutrition and learning in the outdoor environment programs along with twinning South Australian and Filipino schools and scholarships for those students who leave school far too early.

Remember that donations of \$2 or more to AFFLIP are tax deductible and support the 15 schools and 20,000 students in Talomo District, Mindanao in the Southern Philippines.

Why Beyond Bank? The AFFLIP Board was very impressed by their commitment to help not-for-profit organisations make a positive difference in the community. The Community Reward Account (interest savings account) allows members of Beyond Bank to save and at the same time support charities such as AFFLIP.

If you bank with Beyond Bank and have a Community Reward Account you are able to choose AFFLIP – Australian Foundation for Fostering Learning in the Philippines – it works so that the average annual balance of your Community Reward Account is calculated on the 30<sup>th</sup> June and once a year they will make a payment to AFFLIP at no cost to you as a Beyond Bank customer.
